## ABOUT US

Westridge Management Corporation is committed in helping your business become more efficient providing customized integrated, consistently high quality services in accounting, sales, marketing and management consulting. We help you discover and develop new opportunities for your business.

## OUR DIFFERENCE

We are proud to provide our customers with value from our services - value that meets and even exceeds their demands and expectations. Integrity, attention to details, expertise, responsibility, confidentiality along with the high level of comfort provided to our clients and reasonable prices are the foundation of our business.

## BOOKKEEPING AND ACCOUNTING

Proper business accounting is not just about financials and tax returns. It means you need an accountant not only during the tax season, but all year round. Experienced and competent accountant usually helps you keep an eye on your business performance and run the business in a most effective way throughout the year. Our mission is to make your hands free from accounting routine and provide you with optimal solutions.

### Our services include:

- Full bookkeeping including: A/R, A/P, reconciliations, inventory control, HST, WorkSafe BC remittances, and more...
- Payroll for the small businesses.
- Accounting for the businesses including: financial statements, forecasting and projections, cost accounting and more ...
- Tax planning, for corporations and individuals. We assist to structure your assets in a tax effective manner.
- Profit improvement planning.
- Review engagements.
- Tax services for corporations and individuals.
- Accounting software for the small businesses: setup, consulting, training (Simply Accounting, Quickbooks).

**Free Pick Up and Delivery for businesses and individuals in Greater Vancouver Area and Lower Mainland.**
